

**Napa Institute Experience: Ireland and Scotland**  
**May 12 - 21, 2019**  
**Itinerary\***

*Please note the itinerary is fluid and subject to change. There will be daily Mass, time for personal prayer and reflection, and a chaplain will be available for confession and spiritual direction. All meals will be provided by the Napa Institute from the beginning of the trip to its conclusion, including breakfast each morning at the hotel. All dinners will be private and exclusive to our group. We will spend 6 nights at the beautiful and recently renovated Adare Manor in County Limerick and charter a private plane to Edinburgh for a three-night stay at the Waldorf Astoria. Napa Institute strives to provide unique and unforgettable experiences for our attendees. This itinerary is just a sketch of what we have planned but it is sure to be an incredible and inspirational trip!*
